Community Crisis Response Team

Thanks to our amazing Crisis Response Team, during a very difficult year, we were able to still “show up” and support community members following a crisis situation. We were also able to support local businesses during such a stressful year.

31 Debriefings

356 People supported

1st Responder Wellness

Thanks to our donors and stakeholders, we were able to support more of our over 300 1st Responders from all emergency agencies in Routt County AND their family members.

\$14,640 Paid out to our contracted therapists for clinical visits

Over 167 hours of clinical support

Emergency Assistance

No matter if there is a pandemic or not, there are always emergencies that happen and thanks to our donors, we are able to help people involved in car accidents, fires, etc with on scene financial or specific needs. All 1st Responder Agencies are able to provide this support ON SCENE.

\$352 Hotel Rooms for displaced accident victims	\$85 various other emergency needs
